

the results we convey MELAWAN ASAP

In September 2019, fires burned wide areas of forest and land. We took the initiative through Kitabisa.com to collect donations for disaster-affected communities

Rp.62,337,071

the amount of donations collected

Assistance was provided to victims affected by smoke from forest and land fires in four villages

Impact

We provided assistance in the form:

N95 masks

Set 3M 6800 full face masks + 3M 6001 masks cartridge

Liter fuel for water pump

Packages medicine

Hydrant Well

We greatly appreciate your full attention and contribution to the victims.

With your help, we can provide and distribute a range of equipment to the victims and volunteers in an effort to extinguish forest fires.

Hopefully, it can provide strength and hope for people affected by smoke from forest and land fires.

Belantara Foundation

is a non-profit organization that works to protect the Indonesian landscape by establishing local sustainability projects in areas that are set aside for conservation, reforestation and sustainable community development. Through its multi-stakeholder approach with Indonesian provincial governments, NGOs and communities, the Foundation funds programs that conserve and rehabilitate ecosystems, protect endangered species and help local farmers realize sustainable prosperity in Indonesian
